Dear Healthcare Provider,

We recognize that the COVID-19 situation in the United States has likely disrupted your medical practice. **Allergan is providing an additional 30 days dating for all open invoices for any BOTOX® therapeutic product ordered directly on or before March 23.** If you order BOTOX® through a wholesaler (ie, McKesson, Amerisource Bergen, Cardinal), payment terms are set by the wholesaler, not Allergan.

There has been no interruption in BOTOX® product supply or delivery and we stand ready to support you when things return to normal. Thank you for the sacrifices that you make every day to help patients. If you have any questions about BOTOX® treatment, please contact your local representative or call 1-800-44-BOTOX.

Thank You,
